## CIA Knows Killer of JFK Wasn't Oswald, DA Says

NEW ORLEANS (AP)—Dist. Atty. Jim Garrison says Lee Harvey Oswald did not kill President John F. Kennedy and that the CIA knows who did.

"Purely and simply it's a case of former employees of the CIA, a large number of them Cubans—having a venomous reaction from the 1961 Bay of Pigs episode . . . certain individuals with a fixation of interests in regaining Cuba, assassinated the president," Garrison says.

In Washington, a spokesman for the Central Intelligence Agency said the organization would have no comment on Garrison's remarks, made Sunday night in a 23-minute interview with newsmen Bob Jones on WWL-TV.

GARRISON SAID the CIA knows "the name of every man involved and the name of the individuals who pulled the triggers" to kill John F. Kennedy.

He says the CIA has "indisputably more power than the Gromyko and the NKVD of Russia combined." He referred to police organizations of Nazi Germany and the Soviet Union.

Garrison said it would take only 60 minutes for the CIA to "give us the name of every last

Cuban involved in this and that's how close we have been to the end for sometime, but we are blocked by this glass wall of this totalitarian, powerful agency which is worried about its power."

He repeatedly charged the CIA with blocking and attempting to block his investigation, begun last fall, and "as a result I think that in closing out the case the final details of evidence that we want will take us much longer, but we're not going to compromise. We're not going to quit. We're going to get them anyway."

IN ANOTHER development Sunday, Gordon Novel, one of the witnesses Garrison is trying to return to Louisiana, reportedly was wounded superficially by sniper fire at Nashville, Tenn.

A radio station official told police of the shooting incident.

Police said they were investigating the report by Charles F. Walker, president of station WVEDA. They confirmed that five shots had been fired at a WVEDA news wagon in which Novel allegedly was sitting.

Walker said Novel, 39, suffered a minor shoulder wound during a barrage of gunfire out-

side the apartment of WKDA news director Gary Edwards.

Immediately after the shooting, Walker said, Novel and Edwards left Nashville for Columbus, Ohio where Novel awaits extradition proceedings to Louisiana.
